## The Best Part of Kids Camp

FBC Kids recently returned from an incredible week at Highland Lakes Camp in Spicewood. When people ask our campers about their favorite part of camp, you will probably hear answers like the pool, gelly ball, archery tag, the pond with water inflatables, fireworks, or the silent disco. Those activities were all fun, but they were not the main reasons we went. This week God was at work, kids heard the gospel, relationships were built, seeds were planted, and lives were changed.

Throughout the week, we spent time in worship, Bible study, church group discussions, and personal devotional times called Jesus and Me as we walked through Scripture together. We talked about the distractions that can keep us from fully following Jesus, the invitation Jesus offers each of us to His table, the incredible gift of salvation through His sacrifice, and what true greatness looks like through the example of Jesus' humility in Philipians 2.

One of my favorite parts of camp is watching God's Word begin to connect with a child. You see it in the questions they ask, the conversations they have with leaders, the prayers they pray, and the way they encourage one another throughout the week.

I'm especially excited to share that two of our campers made decisions to follow Jesus during camp. There is no greater reason to celebrate than seeing lives changed!

Thank you to everyone who prayed for our campers, served, encouraged us, and supported this ministry. Your investment helps create opportunities for kids to hear God's truth, build lasting friendships, and grow in their faith.

Camp only lasts a few days, but my prayer is that what God began in the hearts of our kids will continue long after the suitcases are unpacked. Please continue praying for these children as they take the next steps in their walk with Christ. I am excited to see how God continues to work in their lives.
